Article 2.

Fee volatility is related to the annual inflation / deflation rate according to official data published by the BiH Agency for Statistics.

Adjustment of the amount of fees is performed only if the sum of annual inflation / deflation rates for previous years in relation to the base year is equal to or above +/- 6%. The first base year is 2014, and each subsequent base year is the year of the last fee adjustment.

After the publication of data by the BiH Agency for Statistics, an analysis of the movement of parameters affecting the adjustment of fees will be performed, and any adjustment will be carried out no earlier than 30 and no later than 90 days after the publication of data by the BiH Agency for Statistics.

Variability of the fee for using the foreign currency conversion service (except EUR) at the ATM referred to in paragraph A 3.11.1. it will depend on the exchange rate movement by individual currency and the exchange rate list of the card company.

The amended fees will be available to the Client for inspection at the Bank's business premises and via the Bank's website: www.unicredit.ba, no later than 15 days before the start of their application.

Article 3.

For clients whose payment fees are defined by the provisions of the signed contracts, the same changes will be made in accordance with the terms defined in the contracts.

Article 4.

The Bank contracts, calculates and collects fees for services it performs in business with natural persons, in the amount of the fee tariff and other provisions set out in this Decision.

Tariff item A 3.3.12. come into force when the technical prerequisites for implementation are met, of which the Clients will be informed in a timely manner.

From 19.05.2026. The bank changed the name of the Gold package to the Prime package, about which all existing users were informed. The aforementioned change also applies to all tariff items that were related to the Gold package.

For all items from point A.1.Invoices, points A.2.Payment transactions, points A 3. Card business, points A 4. Other transaction products and points D1. Safes, the Bank's Management Board, in order to ensure competitiveness and special interests of the Bank, depending on market conditions of supply and demand, and taking into account the business risk and operating costs of the Bank, may make a special decision on commercial terms at more favorable fees with a limited duration, which cannot be longer than one year from the date of adoption, generally for all clients or for the target group of clients. The Bank's Management Board may define authorizations through the Decision on granting authorizations for contracting fees for individual bodies / authorized persons that may make a special decision for a particular job or target group of clients granting more favorable fees than the fees prescribed by this decision on the fee for services persons as one-time benefits or benefits with a limited duration or a maximum of one year.

For all items related to credit operations, the Bank's Management Board, in order to ensure competitiveness and special interests of the Bank, depending on market conditions of supply and demand, and taking into account the risk of business and operating costs of the Bank, may make a decision on lending to individual clients. conditions on more favorable fees with a limited duration of the same, which may not be longer than one year from the date of adoption, generally for all clients or for the target group of clients. The Bank's

Management Board may define authorizations through the Decision on granting authorizations for contracting fees for individual bodies / authorized persons that may make a special decision for a particular job or target group of clients granting more favorable fees than the fees prescribed by this decision on the fee for services persons as one-time benefits or benefits with a limited duration or a maximum of one year.

The amounts defined for variable fees represent the starting fee amounts defined at the time of contracting the product/service, and they are subject to changes that depend on the agreed variable element defined in the specific contract concluded between the Bank and the client / variability is linked to the annual inflation/deflation rate according to official data published by the Agency for Statistics of BiH or the change in the average monthly net salary in the Federation of BiH for the previous year according to data published by the Agency for Statistics of BiH /, of which clients will be informed before the start of application.Fees for the provision of services are charged by the Bank from the user of services, unless otherwise agreed by the agreement between the user of services, or another legal entity, and the Bank.For services not provided for in this Decision, but appearing in the Bank's operations, the amount of the fee shall be determined by the Supervisory Board.

All amounts are in local currency (BAM). Payment of the fee is made at the time of the service, ie in accordance with the contract.

If the fee is calculated on the basis of several tariff items from this Decision, the calculated fee for individual items is added up, which also refers to the minimum amounts resulting from the calculation for individual tariff items.

Amendments to this Decision, as well as its interpretation, shall be made by the Bank's Management Board.

The Management Board of the Bank is in charge of drafting the Consolidated Texts of the Decision on the Tariff of Fees in Business with Individuals after the adoption of the Decision on Amendments to the Decision in question in the following period. Consolidated texts of the Decision will not be adopted by the Supervisory Board, and they are drafted for the purpose of easier business.

Article 5.

This decision shall enter into force on 18.09.2026, except for tariff item A 3.3.12. which shall enter into force when the technical prerequisites are met, of which Clients shall be informed in a timely manner.

Decision on fee for services in business with individuals in the Republic of Srpska No. 02-6318-31/2026 dated 29/04/2026 becomes null and void on 17.09.2026.
